

Lymphoma Specialists Referral List®

© 2016 Lymphoma Foundation of America. All rights reserved. May be reprinted, copied, or excerpted only with written permission. Updated 2016.

Below is a complete list of NCI comprehensive cancer centers and the lymphoma doctors who work there.

- ✓ Names of lymphoma specialists
- ✓ Direct phone number for appointments
- ✓ Direct phone number for clinical trials
- ✓ Main phone number for the Hematology & Lymphoma department or clinic
- ✓ Names and addresses of the cancer centers and their affiliated hospitals

The National Cancer Institute (NCI) designates comprehensive cancer centers for their excellence in cancer research, scientific leadership, and extensive resources. There are many cancer centers and hospitals in the U.S. which are not on this list that also have oncology/hematology clinics where lymphoma patients can be treated.

Lymphoma Specialists Referral List was researched and compiled by the staff of the Lymphoma Foundation of America. The Foundation obtained information directly from each of the NCI-designated comprehensive cancer centers via telephone interviews.

Lymphoma Specialists Referral List is updated annually.

We welcome feedback from patients and providers. If you wish to make a correction or update the information for your cancer center, please email Lymphoma Foundation of America:
